Passport to Fishing

New this year, we will be hosting a learn to fish program called Passport to Fishing.

The Passport to Fishing program will be held on June 15th from 8:00 -10:00 am at Findley State Park in Wellington, Ohio. The event is being hosted by the Black River Game Club. This is a free event that will be open to children ages 7 through 17 years old. Registration is required to participate.

The goal of the Passport to Fishing program is to provide skills, knowledge and information to participants so that children are able to start fishing in their own town or community. This program uses a hands on approach established by the Ohio Department of Natural Resources, Division of Wildlife and has a strong conservation message.

The Passport to Fishing program will last two hours and consists of a total of four different stations. Participants will rotate as a group around to each station. Participants will visit four stations covering the following topics...

- **Casting**
- **Local Information**
- **Fish Habitat and Fish Handling**
- **Rigging and Knot Tying**
